SLIDE 1 · MINDSET

Stop Using One Strategy for Every Country

One mistake many salespeople make: believing the same strategy will work everywhere. It won't.

■ ■ USA

■ ■ UK

■ ■ Canada

■ ■ Australia

■ ■ UAE

...all use different platforms, communities, school systems, and communication styles.

A Global Salesperson Learns Local Behaviour.

■ THE GLOBAL PROSPECTOR'S MINDSET

“ The world is not one market — it's many unique communities. The sales professional who learns how parents think in each country doesn't just generate leads; they build a truly global education network. Every country you understand becomes a new door of opportunity. ”

REMEMBER

Think globally. Learn locally. Every market has its own rhythm — respect it.
