Connect with other families

“ You don’t need to bring parents to Facebook — they’re already there. Your job is to become visible. ”

SLIDE 4 · GROUP QUALITY

Don't Join Randomly

Before joining a group, check:

Is it active?

Are parents posting daily?

Are comments active?

Are promotions allowed?

Is it your target country?

“ A small active group is often more valuable than a huge inactive one. ”

“ ■ Traffic without engagement has little value. Engagement creates opportunities. ”

HOW TO START CONVERSATIONS

Slide 10

SLIDE 8 · CONVERSATION STARTERS

How to Start Conversations Naturally

Good conversations begin with curiosity and empathy:

“I saw your question about maths. What grade is your child in?”

“That sounds challenging. What have you tried so far?”

“Happy to share some free study resources if they're useful.”

“ Avoid pushing for a sale in the first interaction. Your first goal is connection, not conversion. ”

BUILD RELATIONSHIPS, NOT TRANSACTIONS

Slide 11

SLIDE 9 · LONG-TERM THINKING

Build Relationships, Not Transactions

A parent may not book today. They may book:

Next Week

Next Month

Before Exams

When They Trust You

“ Every conversation plants a seed. ”

“ ■ Not every conversation creates a sale today — but every genuine relationship can create opportunities tomorrow. ”
