WHY WHATSAPP & COMMUNITY NETWORKS?

Slide 2

SLIDE 1 · WHY COMMUNITIES

Why WhatsApp & Community Networks?

Parents trust recommendations more than advertisements. Parents naturally ask each other:

“Which tutor is good?”

“Which online classes are worth joining?”

“Any AI classes for children?”

“Who teaches GCSE well?”

“Which Olympiad classes do you recommend?”

“ Your goal is to become part of these trusted conversations. ”

“ ■ The strongest marketing happens when parents recommend you to other parents. ”
