WRONG NUMBER HANDLING

Slide 11

MODULE B · OBJECTION HANDLING

Wrong Number Handling Strategy

If someone says: "You have called the wrong person." — do not immediately disconnect.

" No problem. "

" We provide learning programs for children, students and adults. Is there anyone at home who may be interested in learning a new subject, language, coding program, AI, music or any other skill? "

" Many demos can be booked by exploring alternative opportunities. "

MODULE B · FEE HANDLING

Fee Handling Guide — Golden Rule

FIRST CONVERSATION — AVOID DISCUSSING FEES IMMEDIATELY

“ Don't worry about the fee. Our programs are reasonably priced and designed to provide excellent value. ”

“ Our academic counselor will explain the complete learning plan after understanding your requirements. ”

IF THE PARENT ASKS AGAIN

“ The fee depends on the subject selected, grade level, number of classes and learning goals. ”

“ That is why we first recommend attending the free demo class. ”
