MODULE C · INTRODUCTION

Why This Module Matters

Demo booking is one of the most important stages in the admission process. A well-booked demo creates a positive first impression, increases demo attendance, improves parent trust, and significantly boosts admissions conversion.

“ Your role is not just to book a demo class. Your role is to understand the parent’s requirement, guide them properly, collect complete information, and ensure the demo is scheduled with the right teacher, subject, and timing. ”

INTERNATIONAL CALLING REALITY

Slide 3

MODULE C · MINDSET

International Calling Reality — Stay Positive

Connectivity is naturally low in international markets:

THE REALITY

Out of 100 calls, you may connect with only 10–15 parents

Many numbers may not answer

Some parents may be busy or respond later on WhatsApp

Some may require multiple follow-ups — this is normal

DO NOT

Get disappointed

Assume parents are not interested

Lose confidence after unanswered calls

DO

Stay professional and patient

Continue follow-ups

Focus on quality conversations

“ Success is not about how many calls you make — it's about how effectively you handle the parents who connect with you. ”

STEP 2 - OFFER DEMO SLOTS

Slide 7

MODULE C · STEP 2

Offer Demo Slots Correctly

Time zones are extremely important — never assume your local time matches the parent's.

ALWAYS CONFIRM

“ Which country are you currently located in? ”

“ Which time zone would be comfortable for you? ”

SLOT BOOKING BEST PRACTICE

X Never ask: “When are you free?”

✓ Instead ask: “We currently have availability on Tuesday at 5 PM or Wednesday at 6 PM in your time zone. Which would you prefer?”
